Season of Sharing: Building a Thriving Community

Inspired by a campaign by the Semnani Family Foundation, in my 'State of the City' address, I challenged myself and residents to make a habit of an act of kindness in their neighborhood daily. As you may feel like the world is an unfriendly place, in 2022, I witnessed some extraordinary things happening around our community, which have touched my heart and given me hope for the future. I'm happy to report that I have noticed both small and not-so-small acts of kindness around South Salt Lake and wish to share.

After our Animal Services team rescued a dog who was found badly hurt, her back leg mangled and needing surgery, a petition was sent out via SSL Animal Services' social media pages for financial help. In less than 24 hours, enough money was collected to not only perform this surgery but to fund several veterinary services for other animals in need of care. The 2022 post-pandemic pet return was real, as our numbers of dogs and cats met and often exceeded capacity at the shelter. For the many who have donated, volunteered, and adopted this year—thank you!

This spring, at the Fitts Park Community Garden, several community members, even those who weren't planning to garden there, gave hours of their time. Using shovels and pickaxes, they helped to break up the top layer of heavily compacted soil, creating over 33 garden plots. Once complete, these plots were leased

to several residents, who went on to produce a tremendous first season of healthy, organic food.

How we support our homeless and unsheltered neighbors is quite possibly one of the biggest issues we face, in South Salt Lake, the state, and as a country. During the naming of the Pamela J. Atkinson Resource Center (PARC) in October, I had the opportunity to spend some time serving a meal to those individuals who live there. Talking with and learning more about the residents living inside the PARC made a huge impression, as I better realized that the stigma doesn't match the perceptions society often holds. As a vulnerable population, many barriers can prevent one from finding housing. What I discovered was that many have jobs and are active in the process of acquiring a permanent residence. As each individual facing homelessness has unique issues, I believe it will take a tremendous effort from all sides to find a solution. Together we must seek progress in the continuum of care, fund additional resources, and stabilize housing, and my resolve is to do our part in making this happen.

As only a tiny portion of all the many positive things that happened this year, let me plead with you not to stop your kind acts. A thriving community is impossible to build without help from all those who truly care about the well-being of their neighbors. That's why we are so fortunate that South Salt Lake is full of great people who serve and give back in countless ways. Thanks to the many who see a need, do what they can, pitch in, donate, and make South Salt Lake a wonderful place to live—sending wishes of peace and love to you and yours this holiday season!

During the renaming of the Pamela J. Atkinson Resource Center (PARC), I had the opportunity to serve a meal. Talking with and learning more about the residents living inside the PARC made a huge impression, as I realized the stigma doesn't match the perceptions society often has.

Rescued after a severe injury and losing a back leg, Malin, was adopted and has become the official mascot for SSL Animal Services. To give back to our animals, donate to the 'Giving Paw Tree,' info found on p. 6.

It takes a community to create a community garden! And while a ripe heirloom tomato can bring a lot of joy, it was inspiring to watch people hanging out in the garden, communicating, and being neighborly.

All City Offices and Community Centers will be closed on Friday, Dec 23 and Monday, Dec 26, 2022

Amy Jones, New Deputy City Attorney

Amy Jones was appointed as the new Deputy City Attorney for South Salt Lake in late October. She joined the legal team a little over a year ago. She finds everyone who works here to be welcoming, helpful, and motivated to make the City a great place to live, work

and play. She is excited about the many projects happening in South Salt Lake and is eager to be part of making them successful.

Eliza Ungricht, New Deputy Community Development Director

Eliza Ungricht is a Millcreek native, and received her BS in Geography from the University of Utah and a Master's in Urban and Regional Planning from The London School of Economics and Political Science. She enjoys working with and helping the residents, businesses, and property owners

that come into the Community Development office. In her free time, Eliza enjoys attending University of Utah sporting events, watching baseball, baking, reading, hiking, and traveling.

CITY COUNCIL CORNER

In search of a volunteer opportunity? Introducing GivePulse

Portia Mila, District 4

The gift of time is one of the most valuable things you can share. In 2023 South Salt Lake is introducing a new online tool called GivePulse that will help you find volunteer opportunities around South Salt Lake.

From planting trees to helping a senior learn basic computer skills, GivePulse allows you to explore the many volunteer events that may be of specific interest to you. Many of our city departments will be posting regularly, including

our Promise afterschool program, Animal Services, The Community Opportunity Center (Co-Op), Arts Council, and the Department of Neighborhoods. Whether you are interested in a one-time opportunity or taking on a weekly or monthly shift, GivePulse helps to keep track, by sending reminders and giving you the information you'll need to get started. Please stay posted as this new volunteer management tool will be rolling out soon.

Snow Removal in SSL

Winter is here and with it SNOW! While our Public Works Department is hard at work keeping the streets clear, here are a few things residents can do to help out.

Remove snow from sidewalks and parking lots

- The owners of businesses and residences are responsible for removing snow and ice from the sidewalks in front of their buildings and parking lots.
- Snow should be removed the same day it falls, or by 10 a.m. the next day if snow falls into the late evening.
- Keep snow out of the roads
- When shoveling your drive or walk, shovel the snow away from the road and onto your property.
- Clear the area by the road on the left side of your driveway, as this creates a good spot for plows to unload their snow.
- Be mindful when parking
- Parked vehicles impact snowplow operators. Avoid parking on any city street between 2:00 a.m. and 6:00 a.m.
- Remember that it is illegal to park on a street or in an alley for more than 72 hours consecutively, and to leave unlicensed/unregistered vehicles, or detached trailers on the street.

Follow the Rules of Snow Removal

What are our priorities when plowing?

Public Works has 12 drivers who are assigned to seven snow plow routes. Plows are dispatched when there is at least one inch of accumulation on the roadways. Plowing will continue until the streets are safe to drive on.

Priorities are as follows:

- Major collector streets serving emergency facilities with heavy traffic
- Subdivisions and streets serving schools, City offices, etc.
- All other city roads, including dead-ends and culs-de-sac

Christmas Tree Recycling Program

In January, SSL Public Works employees will pick up Christmas trees (natural trees only) at curbside at no cost.

Ace Disposal will also pick up trees during the second week of January (Jan 9th -12th) on your regularly scheduled garbage pickup day. The trees will be used in their composting program.

Tips to Stay Safe this Holiday Season

*Message from SSLPD
Chief Jack Carruth*

The holiday season is here and many in our community are helping by serving others. Please consider donating to local nonprofits and charitable organizations that need extra provisions such as donated food, clothing, financial support and basic care items. This year, the South Salt Lake Police and the generous support from the South Salt Lake Honorary Colonels helped provide complete Thanksgiving meals to over 80 families in our community. As always, it was a great and memorable experience.

I'd like to share some crime prevention tips to better ensure that your possessions remain in your possession. Criminals can be sneaky but most often take action due to access and opportunity. Here are a few ways you can deter theft during the holidays.

- While shopping, do not carry multiple bags, even if you have to take multiple trips to your vehicle. Place packages and items in the trunk and properly secure them.
- If you carry a purse, do not leave it in a shopping cart unattended. It takes only a few seconds for someone to take your valuables and personal information.
- If you order online, use an address where someone will be home to retrieve the package(s), or a work address. The longer a package remains on the porch visible the more likely it will be stolen.
- Do not share vacation and travel plans on social media. Secure your home and garage while traveling. Share your activities once you've returned home.
- Do not drink or drive. Have a designated driver or utilize a cab or ride-share option.

Help keep your property and us all safe this holiday season.

Pamela Atkinson Resource Center: NEW CASE MANAGEMENT PILOT PROGRAM

During 2023 the South Salt Lake Police Department and The Road Home will be rolling out a Co-Responder Case Management pilot program.

South Salt Lake was awarded funding from the U.S. Department of Justice to design and implement a pilot project demonstrating the benefits of a case manager and crisis clinician co-responder to work alongside with our Homeless Resource Officers (HROs). Funding will provide a full-time case manager to work alongside the HROs along with additional funding for recovery services.

The project will focus on approximately 32 high-utilizers of police and emergency medical services (EMS) residing at the Pamela Atkinson Resource Center (PARC). The project's goals are as follows:

- To reduce the length of stay at the PARC and assist in permanent housing.
- Reduce the number of police interactions and incarcerations.
- Divert individuals out of the criminal justice system and towards resources, while simultaneously accomplishing the above-listed goals.
- Divert mental health crisis calls to the case manager or resources within the PARC and away from police and EMS.

The hope is that this project will further reduce the impact of homelessness on the community of South Salt Lake and improve safety within the PARC while producing more positive outcomes for high-utilizers.

SAFETY FIRST: No Holiday Fires!

Message from SSLFD Chief Terry Addison

The South Salt Lake Fire Department would like to remind you about fire safety. The celebration of the season brings increased usage of electric lights, candles, space heaters, fireplaces, and Christmas trees. Our main goal is to eliminate all emergencies due to Holiday fires.

HOLIDAY LIGHTS

- Inspect lights each year for frayed wires, gaps in insulation, and broken or cracked sockets.
- Do not overload electrical outlets.
- Do not leave holiday lights on unattended.
- If you use holiday lights outside, make sure they are rated for outdoor use.

CHRISTMAS TREES

- The key to a safe Christmas tree starts at the sales lot. Try the "Tap Test", lift the tree, and tap it on the ground. If any needles fall off, this tree is already too dry. Look for another tree.
- Keep your tree watered. Without daily watering, your Christmas tree could become highly flammable.
- Never use outside lights on your Christmas tree. These lights can produce enough heat to dry out your tree and increase the chance of fire.
- Turn the lights off when leaving your home and before going to bed.

CANDLES

- Keep candles at least 12 inches away from walls, curtains, trees, and decorations. Extinguish all candles when you leave the room or go to sleep.
- Never leave a child or a pet alone with a burning candle in the room.
- Make sure candles are in a stable, non-combustible holder.

FIREPLACES

- Have your chimney inspected annually and cleaned and repaired as needed.
- Always use a fireplace screen to prevent sparks from flying into the room.
- Allow ashes to cool completely before disposal.
- Store removed ashes in tightly covered metal containers, never in boxes or bags.
- Portable Space Heaters
- Keep portable space heaters at least three feet away from walls, curtains, bedding, or other materials that may burn.
- Turn off portable space heaters when you leave the room. Never leave them on when you go to bed.
- Plug cords only into outlets with sufficient capacity and never into an extension cord.

The South Salt Lake Fire Department wishes you and your family a wonderful Holiday Season and a Happy New Year.

CELEBRATE SSL: South Gate Neighborhood

As we close out 2022 as the 'Year of the Neighborhood', we're going to feature South Gate, which was not that long ago, farmland, and is now a mix of industrial space and older and new residential. Historically, the LDS church owned a farm on the north side of 2700 South. The 'South Gate' of that farm, faced south. At the time, there was an archway over the gate, and this was used to identify the area. Let's talk about its history, landmarks, and things that make it great!

SSLPD David P. Romrell Public Safety Building

2835 S Main Street

A proclamation was given by Mayor Cherie Wood on November 24, 2019, dedicating the SSLPD building as the David P. Romrell Public Safety Building. Officer Romrell lost his life in the line of duty one year prior. Being a police department since 1939, Officer Romrell was the first officer fatality. Placing his name on this building is in recognition of his sacrifice for the City of South Salt Lake and is in memory of his honorable service.

Historic Buehner Brick & Block Company

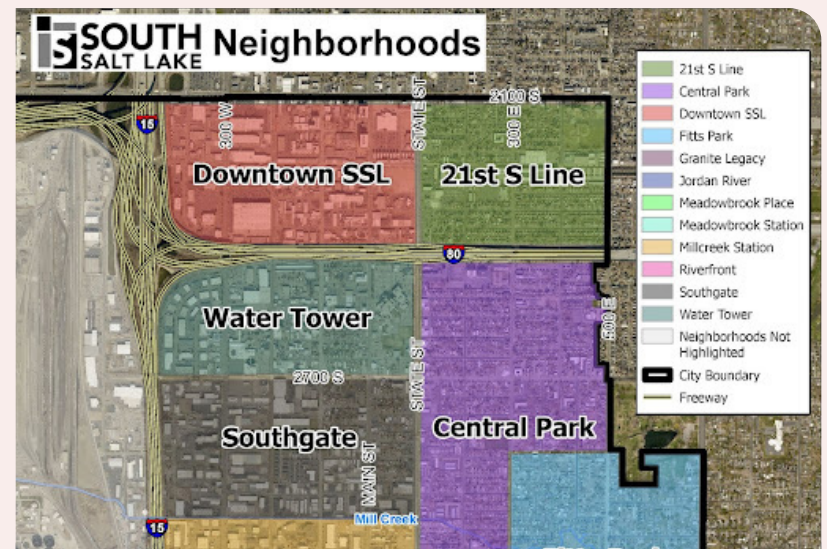

Founded in 1948, the Buehner family immigrated to the United States from Germany. The Buehner Block Company manufactured concrete products, which were primarily foundation blocks for buildings and homes and used for sidewalks. These precast building block products were built in the yard and carried to construction sites by horse-drawn wagons, which were reported to be quite cumbersome and very heavy!

Dali Crêpes Catering & Cafe

2854 S W Temple Street
www.dalicrepes.com

If you live in the Hawthorne Townhomes off West Temple or purchased a crepe during the last Craftoberfest, you've most definitely heard of Dali Crepes, and were awarded at this year's State of the City as SSL's Best Cafe. Dali (Dalibor) Blazic, the owner of Dali Crêpes, is originally from Serbia and emigrated to Utah in 2011. Missing his mother's homemade crepes, he decided to make his own. Dali started up a catering business and then went brick and mortar opening his SSL cafe in July 2020. In Dali's words, "Food makes people happy, and I love to be part of that happiness." We are so glad Dali put down roots in SSL to share this crepe happiness!

The Blockyard Industrial Complex

2800 S West Temple

The Blockyard Industrial Complex is a 66,000-square-foot office and flex warehouse space, that provides office and showroom space for the offices of the owner and additional space to lease. The historic Buehner Brick and Block Company was originally on the site, and because of this, its intended design was to replicate the look and feel of an early 20th-century factory.

Season of Sharing

A Season of Sharing in SSL: Made Stronger By YOU

What's the recipe for a strong neighborhood? A strong neighborhood is built and maintained by those who care about the success and wellbeing of those around them. We've listed a few ways you can get involved, and share your time, talents, or abilities with your neighbors. We also encourage you to give back and support those who do so much here. Happy Holidays!

Building strong neighborhoods starts by being a good neighbor.

- **Show a neighbor you care.** Especially those who are elderly, have a chronic illness, or those with special needs. Check in on them, offer to run an errand or help clear their leaves and snow.
- **Clear a storm drain.** Keep storm drains clear of ice, leaves and debris to prevent flooding and clean our waterways.
- **Adopt a hydrant.** Here's a simple way to help your local firefighter. While shoveling walks this winter, clear the snow away from a hydrant on your street.
- **Ask a question, save a life.** During 2023, Promise SSL and Nami Utah will be offering Question, Persuade, Refer (QPR) suicide prevention trainings which are free and open to anyone interested. Questions? Contact Edward at elopez@sslc.gov or 801-455-1729.
- **Help out our furry friends.** Volunteer or donate food and supplies to our Animal Shelter. Contact, jenica.laws@sslc.gov. See page 6 to learn about the SSL Animal Services Angel Paw Tree.
- **Make your block a little brighter, and merrier!** Is there a home in your neighborhood that is exceptionally merry and bright? We'd love to recognize them this holiday season. Please share details, including photos with us at connect@sslc.gov.
- **Support the Little Free Libraries of SSL.** Consider donating a book or two to one of our little free libraries.
 - **Fitts Park Community Garden Little Free Library**
3065 S 400 East
Instagram: [@fittspark_littlefreelibrary](https://www.instagram.com/fittspark_littlefreelibrary)
 - **Columbus Center Little Free Library**
2508 S 500 East (the pirate ship next to Bickley Park)

Building Strong Neighborhoods Involves Strong Civic Involvement

- **Attend City meetings.** Wherever your interest lies, attend City Council meetings or participate in meetings like Neighborhood Watch. Many are also held or broadcast online. The current City calendar of events can be found at sslc.gov.
- **A quick and easy way to impact local issues.** Maybe you can't attend City Council meetings or are apprehensive about speaking in public. We get it! Sometimes what you hear is different from what you and the community really think. Using this new statistically valid survey tool, Flash Vote results more accurately reflect the voice of South Salt Lake. Sign up at www.flashvote.com/sslc
- **Host a donation drive.** Food, school, hygiene, and household supplies can be donated to the Promise Community Resource Pantries, or to one of South Salt Lake's several nonprofit partners.
- **Love to celebrate?** Then volunteer for our annual SSL Arts Council events like Mural Fest or Craftoberfest, or the city's July 4th Parade. Have a unique skill set you would like to share? Email connect@sslc.gov.

The Community Opportunity Center (The Co-Op)

2530 S 500 East (Inside the Columbus Center)
Mon-Fri, 8 am to 9 pm

Digital Inclusion has been at the forefront of thinking for South Salt Lake, as we know having quality access to the digital world promotes success for all who live here. Over the years, we have been thinking about ways to bring both digital inclusion and digital equity to our residents.

This year the Community Opportunity Center (Co-Op) has filled the former library space of the Columbus Community Center. This space will be a launchpad for people to invest in themselves. The Co-Op, as we call it, will offer co-working space and resources for Financial Empowerment, Digital Access, and supporting job and career growth and entrepreneurship. We are in search of volunteers if interested connect with The Co-Op supervisor, Abram Sherrod, at asherrod@sslc.gov.

We couldn't be more excited about the Co-Op, which will function in several capacities, offering art classes, tech access, financial coaching, business support, and development. Be sure to drop by and visit, as the new Co-Op supervisor, Abram Sherrod, and his team are there to assist you.

SSL Arts Council: What's Coming in 2023

Something unique and inspiring is happening in South Salt Lake. The South Salt Lake Arts Council and its associated community annual arts events (MURAL FEST and Craftoberfest) have a BIG something to do with it. But, that's not all of who we are—or whom we serve.

Uniting our community through the arts, every year we support local artists (and beyond) by seeking out and creating opportunities for them to showcase their craft. We believe that the arts opens the door for our community, providing them with close access to incredible art and artists—from our 45 murals on walls of our local Creative Industries Zone businesses to our public art classes!

LOOKING FOR WALLS

We are seeking businesses that are interested in receiving one of the 10 murals for Mural Fest 2023. Murals are a great way to attract visitors and engage the community. Murals are also an effective graffiti abatement tool!

7 TIPS TO MANAGE STRESS & MENTAL HEALTH DURING THE HOLIDAYS

- PLAN AHEAD**
Have a plan in place for all your holiday tasks and activities.
- BE REALISTIC**
Don't stress yourself out by trying to create the perfect holiday.
- STAY ACTIVE**
Exercise is a great way to deal with holiday stress, and anxiety.
- DON'T WORRY**
Don't feel obligated to complete every small thing on your list.
- JUST SAY NO**
If you have too much on your plate, let your friends and family know.
- SET ASIDE DIFFERENCES**
Enjoy other's company and talk about topics that bring happiness.
- ACKNOWLEDGE YOUR FEELINGS**
Just because it's the holidays, doesn't mean you have to be happy all the time.

SEASON of SHARING

Each holiday season, the South Salt Lake Youth City Council and Police Athletics and Activities League team up for our Season of Sharing - a time for our community to come together and support families with the highest needs. We work with our local schools, afterschool programs, City staff and partners to get referrals of families in need. Together through the years we have provided much needed; food, clothing, household supplies, books, art supplies, and of course toys for many local youth and families. This is a great opportunity to get in the holiday spirit. If you are able to, please give back.

- 1. Make a monetary donation**
Make a monetary donation of any amount by Friday, December 9th. Simply scan the QR code and add a note that says "Season of Sharing"
- 2. Sub for Santa**
Request a family's wish list from Edward (elopez@sslc.gov) and then return the wrapped gifts by Friday, December 9th.
• Wrapped gifts should be dropped off to the Promise South Salt Lake Office on the 3rd floor of SSL City Hall
- 3. Visit our Sharing Tree**
Take an ornament (or a few) with the holiday gift requests of a SSL neighbor from our Sharing Tree on the second floor of City Hall.

We ask that wrapped gifts be dropped off by Friday, December 9th to the Promise SSL Office on the 3rd floor of City Hall. Please attach the tag to the wrapped gift

Contact Edward at elopez@sslc.gov or 801-455-1729 with any questions, to request a family's wishlist, or schedule a donation drop off.

Contact Alli at alli@sslpal.org with any questions about monetary donations.
